

QPC-1549VDi

Key Features

- 1/3" Sony HQ-1 CCD
- Patented 3-Axis Gimbal
- High resolution of 540TV Lines (color)
- Supports Day & Night Function
- Ultra low-light sensitivity
- Adopts 4~9 mm AI/VF lens
- Advanced BLC & AGC function
- Improved Auto White Balance Range
- 12VDC power configuration

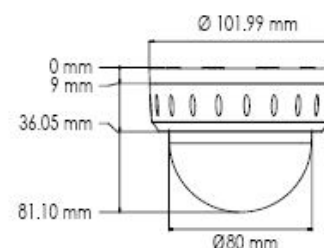

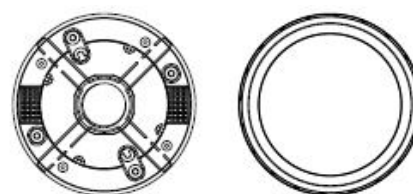

Specifications

| Type / Format | PAL |
|---------------------------|-------------------------------------|
| Image Picture Element | 1/3" Sony HQ-1 CCD |
| Scanning Element | 2:1 Interlace H:15625Hz V:50.0Hz |
| Effective Picture Element | 752(H) x 582(V) |
| Approximate pixels | 440K |
| Resolution | 540 TV lines |
| Minimum Illumination | 0.5 lux @ F=1.2 |
| S/N Ratio | 48 dB |
| SDN Control | Auto |
| AGC Control | Normal / Turbo |
| BLC (center area) | Off / On |
| AWB Control | Auto |
| Flickless | Off / On |
| Synchronization | Internal |
| AWB Range | 2700°K ~ 9700°K |
| Video Output | 1.0Vpp 75Ω BNC unbalanced |
| Power Source | 12VDC |
| Power Consumption | 4.5W Max. |
| Operating Temperature | -10°C to +50°C |
| Storage Temperature | -20°C to +60°C |

Function Control

| | |
|------------------|----------------|
| BLC | Off / On |
| AGC | Normal / Turbo |
| Flickless | Off / On |
