

## Hidden Cameras

**CAM-SPOTLIGHT**

A professional camera hidden within a spotlight particularly useful for installation in cafes, banks, cash machines, museums, etc.

The mirror specifications allow the camera to be hidden to carry out discreet surveillance while maintaining excellent quality. The shape enables easy orientation and quick installation by special fixing springs without using screws.

**Main features**

- 420TVL good resolution
- 1/3" SONY Super HAD CCD
- Wide angle view 3.6mm
- Installation in false ceiling
- Innovative and elegant design
