

## High Resolution Day/Night Air Freshener Vehicle Hidden Camera with Audio

Compact air freshener delivers high-resolution images and features built-in microphone

The compact High Resolution Day/Night Air Freshener Vehicle Hidden Camera with Audio blends in well because it looks like your average car air freshener. The covert surveillance solution features a hidden camera with a 3.6 mm IR-corrective lens, that delivers 700 TV lines of resolution, and is equipped with DNR (digital noise reduction), and features an external microphone for recording audio. The device features an RCA audio output, BNC video output, and operates on 12 volts DC @ 125 mA. This tiny hidden camera features a 72° field of view (FOV), is easy to use and delivers high-quality, high resolution images day and night.

### WHAT'S INCLUDED:

- » Car Air Freshener Concealment with Hidden Camera

## Product Specifications

### Imaging Specifications

Color	Yes
Day/Night Function	Yes
Digital Noise Reduction (DNR)	Yes
IR Sensitive	Yes
Lines	700
Lux (B/W)	0.0001
Lux (Color)	0.05

### Lens Specifications

IR Corrective	Yes
Lens Type	Fixed
Max FOV (degrees)	72
Max Focal Length (mm)	3.6

### Audio Specifications

Audio	Yes
Built in Mic	Yes

### Physical Characteristics

Dimensions (H" x W" x D")	3 x 1.5 x 1
Weight (lb)	0.2

### Power Requirements

Amps DC (mA)	125
Power Supply Included	No
Volts DC	12

### Connectors

Analog Output	BNC
Audio Out	RCA

### Other

Warranty	1 Year
