

## Wireless Clock Radio Hidden Camera with DVR and Quad Receiver

All-in-one hidden camera, DVR and wireless receiver features remote viewing

If you need an easy to set up covert solution for your surveillance application, the Wireless Clock Radio Hidden Camera with DVR and Quad Receiver is a great choice. The all-in-one security solution features quad viewing capabilities enabling you to connect and record up to 4 cameras with 1-4 camera views, at 640 x 480 video resolution @ 30fps per channel—and convenient remote viewing from your web browser, iPad, or iPhone with the included software and easy access web link. You can choose multiple recording modes including schedule motion, schedule continuous or panic and record hours of video onto a 32GB SD card for convenient on-board storage. This covert security solution features USB and RCA outputs and offers interference-free wireless transmission—up to 700 feet.
