

## Wireless Smoke Detector Hidden Camera with DVR and Quad Receiver

Remote-viewable surveillance solution offers quad viewing and recording

Capturing the action is easy with this all-in-one covert security solution. This Wireless Smoke Detector Hidden Camera with DVR and Quad Receiver gives you a commanding view of the room. Features include quad viewing and recording capabilities for up to 4 cameras (1-4 camera views), at 640 x 480 video resolution @ 30 fps per channel—and offers remote viewing from a web browser, iPhone or iPad with the included software and easy access web link. You can select multiple recording modes from schedule motion, schedule continuous and panic, and record video onto a 32GB SD card for convenient on-board storage. The wireless receiver features interference-free wireless transmission—up to 700 feet. The Wireless Smoke Detector Hidden Camera with DVR and Quad Receiver is ideal for wide variety of surveillance applications.
