

# CP- YPS-SD100-12D

## Metal Case Power Supply

### Feature

Input voltage  
 Output voltage  
 Output electric current  
 Ripple wave  
 Linear modulate  
 Temperature coefficient  
 start time  
 guard time  
 override protection  
 overvoltage protection  
 short-circuit protection  
 Store temperature  
 working temperature  
 Dimension  
 Weight

### Specification
